Board Boys' schools and some girls' schools is inadequate and insuffi cient, the Board should take steps to improve the staff in them. The panel of teachers is not being followed in appointing teachers. Elementary Lower Grade men are reported to be recruited while Secondary and Higher Elementary grade teachers are available and willing to work on less pay. The Inspectress reports that the Board does not consult the inspecting officers on any point. Accommodation in girls' schools is not satisfactory. The rented buildings in which boys' schools are located are ill lighted and ill ventilated and wanting in space for gardening and games. Equipment is very poor in almost all the schools.

4. The total ordinary charges exceed the total ordinary receipts.

Subject: Budget Estimate - 1932-33 - Harpanahalli Taluk Board (Bellary) - Recorded with remarks.

---

In the Elementary Education Budget the contribution from the General Account was shown as Rs.12,150 for each of the two years 1931-32 and 1932-33. This was accepted by this department on condition that the contribution would be liable to revision if necessary. The General Budget which is framed on the actuals for 1931-32 is expected to close with a balance of Rs.475 under the General Account against the required minimum of Rs.620. In 1931-32 the Board actually contributed 9,535 (or Rs.1,235 more than the normal contribution) to the Elementary Education Fund and has provided 12,150 for the purpose in the B.E. for 1932-33 as in the approved Ely. Edn. budget. Law (Edn.) may be requested to agree to a contribution of Rs.9,535 (the amount actually paid) for 1931-32, instead of the contribution of Rs.12,150 approved in the Ely. Edn. budget and R.E. for 1931-32. If, however, that department insists on Rs.12,150 the amount accepted for 1931-32 being kept, the only alternative is to reduce the provision of Rs.12,150 in the B.E.× by a corresponding amount. The normal contribution is only Rs.8,300.

According to the actuals for 1931-32 shown in the revised general budget of the Taluk Board the E.E.Fund closes with a balance of Rs.605 at the end of that year. The receipts and expenditure for 1932-33 shown in the E.E.Fund budget approved in G.O. No.1275 Edn., dated 1-9-1932 and in the general

budget

15

budget are Rs.30,850 and Rs.32,000 respectively and the budget closes with a deficit of Rs.545. This deficit will be enhanced if the proposed percentage cut in subsidies is made. In the circumstances stated by L.S.G. however, the reduced contribution of Rs.9,535 may be accepted for 1931-32, the expenditure being reduced as proposed by the President. The L.S.G. Deptt. may be requested to send a copy of the proceedings on this case with extract of notes. On receipt of these, orders may be issued in this Dept. approving the reduction in the contribution for 1931-32. The file may be returned to that Deptt.

for keeping the closing balance as Rs 605 instead of Rs 1275. (× general budget)
